Summer Programs

Meet Bailey!

We are excited to announce our new Program Manager, Bailey Swensen! Bailey is from Crosby-Ironton and a recent graduate from St. Scholastica with a degree in Exercise Physiology. She will specialize in personal training and group fitness along with youth and family recreation programs.

In her free time she likes to stay active and be outside biking or on the lake fishing, boating, kayaking or paddle boarding and spends her winters playing in the snow. Her best friend is my Golden Retriever named Wilson.

It's almost here; summer camp, t-ball/baseball, and our new Fitness Frenzy or Conditioning!

Please contact the front desk at 218.546.2616 or Bailey at bswensen@hallettcenter.com with any questions.

Intro to Pickleball

Join us June 14 at 6pm to learn the tips, tricks, and rules of pickleball. Come see why it's gaining in popularity as an activity for all ages and abilities. RSVP to bswensen@hallettcenter.com

Summer Hours

Monday–Friday 5am-8pm

Saturday 7am-4pm

Sunday Closed

24/7 access will be available.

Membership Billing & Reimbursement

We have been going through several system updates for both billing and insurance reimbursement. We appreciate your patience! While we have been able to catch some errors, we need your help in maintaining accurate records. Make sure to let us know when any of your banking or insurance information has changed.

We want to remind you that your monthly dues will be drawn around the 10th of each month and your reimbursement should be deposited around the 25th of the month. If you have questions, concerns or noticed any changes; please bring them to Amanda who oversees this department. As our member, you need to communicate directly with us regarding your account.

Please look for further communication regarding billing and reimbursements as we continue going through our membership audit.
